On 9/20/2013 the FEC issued us an RFAI in reference to our June Monthly Report. We were asked to address two issues:

1. ""Fundraising Event Charges"" were location, food and beverage fees paid to the Milwaukee Athletic Club for a fundraiser that was held at the facility. ""Promotional materials"" were small convention buttons printed by Tigereye for delegates attending our annual state convention. No candidates were listed on the buttons. ""Outreach"" describes funds paid to Mailchimp. Mailchimp is an email service we used to send out advisories to our press list. ""Convention materials"" were paid to Wells Printing. They printed copies of our annual state convention welcome pamphlet.
